- A. Global Coatings warrants to the initial Building Owner that for a period of Ten (10) years from date of completion, **CARRARA** all acrylic weatherproofing applied to any area of sound and properly prepared above grade Lp-Smartside® panel, fiber-cement panel, metal panel, or other approved exterior grade sheathing, will perform as follows:
1. **CARRARA** texture coating system will not chip, peel, or flake for the full warranty period.
  2. **WORKMANSHIP, AESTHETICS, COLOR FADING AND INSTALLATION ARE BEYOND THE SCOPE OF THIS WARRANTY.**
- B. If during the warranty period any such failure occurs resulting from ordinary weather conditions, in any area that **CARRARA** has been properly applied, Global Coatings agrees to supply to the Applicator, at no charge all, Global Coatings material necessary to correct Carrara material defect. This shall be the exclusive remedy of Global Coatings.
- C. This warranty is expressly conditioned upon:
1. Applicator's obligation to purchase and apply all **CARRARA** products in a good and workmanlike manner and in strict accordance with Global Coatings' current published instructions covering surface preparation, application and precautions. Purchase and application of Carrara material must be within one-year shelf life and validated by authorized vendor product invoice.
  2. Global Coatings' liability to the Applicator for any defect, failure, or deficiency that is covered by this warranty shall be expressly conditioned upon the Applicator's obligation to notify Global Coatings in writing within seventy-two (72) hours of the date that Owner notifies Applicator. Global Coatings shall then have the right to immediately inspect the defect, and if not given this right, the warranty shall be terminated.
  3. Global Coatings shall not be responsible for repairs made by others who are not authorized to make such repairs, or use of materials not licensed or approved in writing by Global Coatings.
- D. This warranty does not cover failure of the coating due to:
1. Damage to the **CARRARA** caused by fire, moisture intrusion, foundation or building settlement, structural cracks or structural defects, faulty construction, improper panel install, misuse of structure or failure of the panel substrate or building structure.
  2. Damage to the **CARRARA** due to natural causes, including but not limited to floods, lightning, hail, windstorms, cyclones, hurricanes, tornadoes, earthquakes, or other extraordinary or unusual events.
  3. Improper installation or preparation of the substrate panel that results in rust, delamination or moisture related issues.
  4. Vandalism, penetration or damage caused by third parties or foreign objects or agents, including plant or animal life.
  5. The Building, system and products must be properly maintained in accordance with local environmental conditions and good building practices.
- E. This warranty is for the benefit of the initial building owner, and shall not be transferable or assignable to any other persons, firms or corporations except with the prior express written consent signed by a duly authorized officer of Global Coatings, Inc.
- F. **Global Coatings will not be liable for any direct, indirect, consequential, incidental, special, or general damages of any kind from whatever cause may arise as a result of deterioration of said coating, except to supply all Global Coatings material in accordance with the warranty. It is expressly understood and agreed that Global Coatings shall in no way be deemed or held to be obligated, liable or accountable upon or under any guarantees or warranties, express or implied, including any implied warranty of merchantability or fitness for a particular use, or otherwise beyond this express warranty.**
- G. This warranty is not effective unless executed by an authorized officer of Global Coatings, the Approved Contractor and the Owner.
